

Re: Obligations of Partner Organisations in FEAD Programme (Websites)

31, January, 2019

Dear Manager,

Part of the EU Regulations that govern the FEAD programme state that Partner Organisations who are in receipt of FEAD Product will along with displaying the FEAD poster include on your website (if you have one) a short paragraph describing the FEAD operation, it's aims and results and highlight the financial support of the EU.

Can you please ensure that this information is included on your website. I have attached a JPG copy of the FEAD poster that can be used to fulfil your obligations.

Once again, we would like to thank you for your participation and support of the FEAD programme.

If you have any further queries or clarifications, please do not hesitate to contact us at FEAD@welfare.ie .

Kind Regards
